

Kentucky WORKS Program

The Kentucky WORKS program is available to those receiving K-TAP benefits and provides training and job-seeking assistance. The goal of the Kentucky WORKS Program is to enable work eligible individuals to support their families through self-sufficiency.

Kentucky WORKS Program Provides:

Support services for school supplies and work-related needs, such as: the cost of driver's education classes, work uniforms, school supplies, books, or software

Childcare up to the maximum amount for the geographic area

up to \$200 per month to pay for transportation costs incurred while working, participating, or preparing to participate in Kentucky WORKS program activities

up to \$1,500 in vehicle repair expenses each 12-month period, including vehicle registration costs, license fees, liability insurance, vehicle property tax, repairs on the vehicle to make it functional, and other car expenses
