

# Kentucky's Public Transit Providers

Kentucky's public transit system provides more than 30 million rides each year.

## Kentucky Transit Systems

Kentucky has 3 large urban transit systems:

Tarc (Louisville)

TANK (Northern KY)

Lextran (Lexington)

Kentucky has 5 urban transit systems:

Ashland

Owensboro

Bowling Green

Elizabethtown

Henderson

Kentucky also has 26 suburban and rural systems. Use the Kentucky Transportation Cabinet's Public Transportation Provider directory to learn about services in your area. If you have questions about services, first try contacting your county's transportation provider at the number provided on the directory.
