

# State Supplement Programs

The State Supplement Program provides additional benefits to Supplemental Security Income (SSI) recipients. The State Supplement Programs may provide additional funds to those who are elderly, legally blind, or have a disability.

Participants must be:

18 years of age or older

A Kentucky resident

Able to meet citizenship requirements

Eligible due to age, blindness, or disability

There is a resource limit of:

\$2,000 per individual

\$3,000 per couple

The Supplement can be used in 3 ways:

1. To pay for care in a licensed Personal Care Home or Family Care Home
2. To pay for Caretaker Services in order to remain in your own home
3. Community Integration Supplement
