

# Community Integration Supplement

## Annual Recertification

State Supplement cases, including the Community Integration Supplement (CIS), must be recertified every twelve (12) months. At recertification, all requirements will be reviewed to ensure the participant continues to be eligible.

Recertification can occur:

Over the phone

In person at DCBS

By a home visit,  
if requested

Recertifications may not be completed through the self-service portal.

An authorized representative may help you complete the recertification. Your permission in writing will be required to allow someone to act on your behalf.
